

DISPOSABLE KNIFE SYSTEM (DKS)

The key to profitability

Sharp answers to dull problems.

Lightweight reversible OSB knife system with a built-in counterknife

DKS knives are available in multiple counterknife angles to suit all wood species and operating conditions

Compatible in all Kadant SmartRING and SmartDISC stranders

Over 80% of stranders worldwide use DKS and enjoy the following benefits:

- ✓ 20-100% increase in knife life
- ✓ 15-30% reduction in knife change time
- ✓ 1-2% increase in strander utilization
- ✓ Reduced need for specialized trades and labour
- ✓ Exceptional safety record
- ✓ No grinder or grinding room required
